Board of Vocational Nursing And Psychiatric Technicians  
2535 Capitol Oaks Drive, Suite 205  
Sacramento, California 95833

Teresa Bello-Jones, J.D., M.S.N., R.N.  
Executive Officer

## New Consumer Protection Law & Mandatory Reporting Requirements for LVNs, PTs and Their Employers

Effective January 1, 2004, Senate Bill 358 (Chapter 640, Statutes of 2003) establishes a new consumer protection law relative to mandatory reporting requirements for Licensed Vocational Nurses (LVNs),

Psychiatric Technicians (PTs), and their employers to report known violations of the VN Practice Act or PT Law. A licensee who fails to report this information to the Board may have his/her license suspended or revoked for

unprofessional conduct. Employers of LVNs and PTs who fail to report to the Board any suspension or termination for cause of these licensees may be cited and fined up to \$10,000 per violation.

Recent newspaper headlines support the need for this new law. According to a New York Times article entitled "On the Trail of Nurses Who Kill" dated December 21, 2003, Charles Cullen is suspected of killing up to 40 patients during his 16 years as a nurse

*(Continued on page 2, see Consumer)*

## LVN Renewal Fee Change to Fund Scholarship & Loan Repayment

Effective July 1, 2004, Senate Bill 358 (Chapter 640, Statutes of 2003), specifies that the Board shall collect a \$5 fee from licensed vocational nurses (LVNs), at the time of license renewal, to fund a scholarship and educational loan program for vocational nurse education. Pursuant to Health & Safety Code, Sections 128475 et. seq, the Vocational Nurse Education Program in the Health Professions Education Foundation is established to promote the education of LVNs by providing scholarships or loan repayment to LVN applicants who agree to work in underserved areas performing direct patient care.

*The mission of the Health Professions Education Foundation is "to increase the supply of health care providers who are willing to practice in underserved areas of California. The Foundation accomplishes its mission by awarding scholarships and*

*(Continued on page 2, see Renewal)*

### MISSION STATEMENT

*The mission of the California Board of Vocational Nursing and Psychiatric Technicians (Board) is to protect the public. Public protection is paramount to the Board and its highest priority in exercising its licensing, regulatory and disciplinary functions. Toward this end, the Board ensures that only qualified persons are licensed vocational nurses and psychiatric technicians by enforcing education requirements, standards of practice and by educating consumers of their rights.*

## CONSUMER

(Continued from page 1)

in New Jersey. As quoted in the article: "What is most unnerving is the ease with which he moved from hospital to hospital without any warning moving with him. The current loose system of monitoring and policing health care personnel clearly needs to be tightened."

The new mandatory reporting law will reduce the number of incompetent or unsafe licensees who continue to practice after they are suspended or terminated for cause by one facility and immediately obtain employment at another facility (e.g., nurse registries, convalescent homes, etc.). Suspension or termination for cause from employment includes the following violations:

- Use of controlled substances or alcohol to the extent that it impairs the licensee's ability to practice safely as a vocational nurse or psychiatric technician
- Unlawful sale of a controlled substance or other prescription items
- Patient or client abuse, neglect, physical harm, or sexual contact with a patient or client
- Falsification of medical records
- Gross negligence or incompetence
- Theft from patients or clients, other employees, or the employer

The immediate implementation of this law will protect California consumers by ensuring that the Board is duly notified if a licensee has been fired or suspended for conduct mentioned above. Consumer protection will be greatly enhanced if the Board is able to take disciplinary action against a licensee who may egregiously harm or kill a patient/client at his/her next job.

The new law further specifies that implementation of the mandatory reporting requirements is "contingent upon the necessary funding in the annual Budget Act." The Board is actively pursuing appropriate funding for this new consumer protection law.

## RENEWAL

(Continued from page 1)

*educational loan repayment grants to health professional students and recent graduates who are committed to practicing in rural and urban underserved areas. The Foundation coordinates closely with the Office of Statewide Health Planning and Development and its health professional education programs."*

To qualify for the Vocational Nurse Education Program scholarship and loan repayment, the applicants must:

- Be qualified for admission to a Board "accredited" vocational nursing program and agree to serve in specified facilities or underserved areas after graduation.
- Hold a current valid license as an LVN and wishes to seek an associate of science degree in nursing from an accredited college (and is not eligible under the Registered Nurse Education Program (i.e., Health & Safety Code, Section 128385) and agrees to serve in specified facilities or underserved areas after graduation.

## Statewide Budget Cut Critically Impacts the Board

It is no longer “business as usual” for the Board of Vocational Nursing and Psychiatric Technicians. The Board, and every state agency, has been hit with one of the most severe budget cuts in recent history. Although the Board receives no money from the state’s General Fund, it was directed to reduce its personal services (i.e., staff) effective July 1, 2003.

Budget reductions impacted the Board as follows:

- **Staff** – The Board abolished all of its funding for 6 temporary help staff and 2.5 “permanent” staff positions. The loss of 8.5 staff critically impacts the Board’s ability to complete its licensing functions. This is essentially a 20% reduction in staff (i.e., 8.5 out of 44 staff). Since that time, major backlogs have resulted and continue to grow incrementally as each month passes for every program function within the Board.
- **Board Meetings** – To address the budget cuts, the Board made the following policy decisions:
  - ✓ Reduction in the number of Board meetings from 5 to 3 annually.
  - ✓ Consolidated Board meetings from 2 days to 1 day. As such, Disciplinary Reinstatement Hearings begin at 9:00 a.m. The Regular Board meeting begins after the Reinstatement Hearing closed sessions have ended.
  - ✓ Delegation to the Executive Officer authorization to make decisions on specified school program issues effective September 2003.

- **School Site Visits** – When deemed permissible, the Board will utilize a written survey tool to survey its 116 VN Programs and 17 PT Programs in lieu of sending a Nursing Education Consultant to physically conduct a site visit of each school.
- **Postage and Printing Reductions** – Electronic mail is the preferred method of communication. No mass printing of the newsletter will occur. It will be available at the Board’s website.

Notwithstanding these critical budget cuts, the Board is maximizing its use of available staff to ensure that consumer protection is maintained.

## Sunset Review Update

The Board’s “sunrise” legislation, Senate Bill 358 (Chapter 640, Statutes of 2003), was signed by Governor Gray Davis on October 1, 2003. Effective January 1, 2004, the new law provides the following:

- The Board will continue as the agency responsible for the regulation of licensed vocational nurses (LVNs) and psychiatric technicians (PTs) in the State of California.
- The Board’s next sunset review date is September 2006. The Board’s inoperative and repeal dates are extended to July 1, 2008 and January 1, 2009 respectively.

*(Continued on page 4, see Sunset)*

## Regulatory Update

On February 20, 2004, the Board adopted the regulatory proposal to amend Division 25 of Title 16, California Code of Regulations to adopt sections 2520.4, 2520.5 and 2524.1; and amend sections 2518.6, 2523, 2523.1, 2523.2, 2523.4, 2523.5, 2523.6., 2526, 2529, 2532, 2533 and 2534 (VN); and adopt sections 2577.5, 2577.6 and 2579.11; and amend sections 2576.6, 2579.2, 2579.3, 2579.4, 2579.6, 2579.7, 2579.8, 2581, 2584, 2586, 2587, 2588 and 2588.1 (PT); and directed staff to prepare a final rulemaking file for submission to the Director of the Department of Consumer Affairs and the Office of Administrative Law.

The regulatory proposal would amend the California Code of Regulations, Title 16, for Licensed Vocational Nurses (LVNs) and Psychiatric Technicians (PTs) as follows:

- **Consumer Complaint Disclosure Policy** – Protection of the health, safety, and welfare of California consumers is the Board's highest priority. To ensure such protection, the Board is authorized to investigate complaints of *unprofessional conduct and unsafe, incompetent practice* by LVNs and psychiatric technicians (PTs). Pursuant to the California Government Code (Public Records Act), the public has a distinct right to access information in the government's possession. The proposed amendments would establish the Board's "*Consumer Complaint Disclosure Policy* (Rev. 02/21/03)" in regulation by reference.
- **Mandatory Reporting** – Pending approval of funds to implement the new mandatory reporting statutes, this proposal would implement and make specific in regulation

the mandatory reporting requirements for LVNs, PTs and the employers of LVNs and PTs (see related article entitled New Consumer Protection Law & Mandatory Reporting Requirements for LVNs and PTs).

- **School Program Requirements** – The proposed amendments would: (A) clarify the requirements for school programs to maintain alternate students in an enrollment status; (B) clarify the definition of additional faculty; (C) modify the curriculum hours to permit 12-hour days for clinical experience; (D) replace the term "non-nurse" with the term additional faculty; (E) delete the requirement that prior Board approval is needed to schedule more than 50% of clinical experience during evening hours; and (F) clarify that the preceptor is a psychiatric technician not a licensed vocational nurse (PT only).

The aforementioned regulations were adopted by the Board at its February 20, 2004 meeting. The final rulemaking file is currently underway and will be submitted to the Office of Administrative Law in June 2004.

## SUNSET

(Continued from page 3)

- Establishes a scholarship and educational loan repayment program for vocational nurses effective July 1, 2004 (see article entitled "LVN Renewal Fee Change to Fund Scholarship & Loan Repayment Program).
- Establishes a new consumer protection law relative to mandatory reporting requirements for LVNs, PTs, and employers of LVNs and PTs. They must report known violations of the VN Practice Act or PT Law to the Board (see article entitled New Consumer Protection Law & Mandatory Reporting Requirements for LVNs, PTs and their Employers).

## Psychiatric Technician Exam Development Update

### IMPLEMENTATION OF NEW PASSING STANDARD FOR THE PSYCHIATRIC TECHNICIAN LICENSURE EXAMINATION

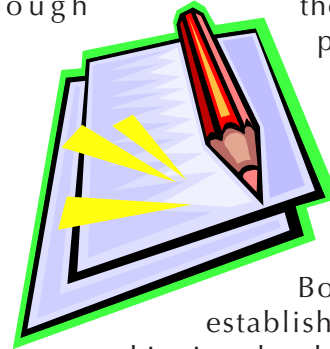

The Board of Vocational Nursing and Psychiatric Technicians adopted a new passing standard for the California Psychiatric Technician Licensure Examination at the February 21, 2003 Board meeting. This new standard became effective January 1, 2004.

The standard is in response to the changes identified in today's health care for pediatric, adult, and geriatric clients with behavioral disorders. The Board considered research findings identified in the "Validation Study and Analysis of Psychiatric Technician Practice". Additionally, the Board considered the recommendation of the Department of Consumer Affairs' Office of Examination Resources. This recommendation was based upon the October 2002 Standard Setting Conference. Conference participants included Subject Matter Experts representative of practice and geographic areas of the entry – level psychiatric technician population. Psychiatric technician supervisors and educators also served as panel judges. The findings of the panel supported a new passing standard.

Today's client population and corresponding health care needs necessitate the licensure of practitioners who are knowledgeable in increasingly complex nursing and behavioral sciences. The new Psychiatric Technician Test Plan reflects this increased knowledge and related tasks. The new passing standard reflects the minimal level of competence that is required for entry into today's practice.

## Strategic Planning Update & Stakeholder Surveys

The process of strategic planning plays a critical role in improving the efficiency and effectiveness of State government programs and operations. Annually through the strategic planning process, the Board identifies key issues impacting the Board and the professions it regulates. The strategic issues identified guide the Board in the establishment of goals and objectives that drive the future direction and priorities of the Board, and assist the Board in more effectively meeting the needs of its key stakeholders and the challenges of a changing health care environment.

The Board adopted its 2004 Strategic Plan, on February 20, 2004, in Ontario, California. In June, the plan will be forwarded to the Governor's Office through the Department of Consumer Affairs and the State and Consumer Services Agency. Once approved by the Governor's Office, the plan will be available for review and download through the Board's web site, [www.bvnpt.ca.gov](http://www.bvnpt.ca.gov).

One of the goals in the Board's Strategic Plan states:

"The Board will use visionary leadership to structure the role of LVNs and PTs in the health care delivery system of the 21<sup>st</sup> century by being sensitive to the expansion and redefinition of scopes of practice in order to balance sound health care practices, changes in health care delivery, employer expectations, and practitioner needs."

In order to address this goal, the Board surveys its stakeholders, including vocational nursing and psychiatric technician programs along with facilities that utilize LVNs and PTs.

*(Continued on page 6, see Stakeholder)*

## STAKEHOLDER

(Continued from page 5)

On November 14, 2003, the Board distributed surveys to all approved and accredited VN and PT Programs and to a random sampling of health care facilities. Responses to the surveys identified two major factors that currently effect both nursing education and nursing practice. Those factors are the nursing shortage and the nurse-to-patient ratios implemented in January 2004 for acute care hospitals. Both factors are leading to increased utilization of LVNs and, to a lesser extent, PTs.

Educational institutions are being pressured to produce more LVNs and PTs to fill the staffing needs; however, due to the nursing shortage, programs are having difficulty recruiting qualified instructors that would allow the programs to support an increased number of students. Furthermore, a variety of health care educational programs are inundating clinical facilities with requests for clinical experience sites. Due to physical space and staffing constraints not all requests can be granted. As a result of both of these factors, programs report that many qualified applicants cannot be accepted into their programs.

Survey responses identified the California budget crisis as another element influencing the entire health care picture in California. Publicly-funded health care programs are not receiving adequate funds to hire necessary health care workers and educational programs are not receiving funds necessary to expand health care educational programs as needed.

The mandated nurse-to-patient ratios in acute care facilities effect long-term care facilities as well. LVNs who for many years have been the backbone of the long-term health care workforce, are now being recruited by acute care facilities, leading to an increased shortage of nurses in long-term care facilities.

Increased utilization of LVNs is forcing more and more acute care hospitals to adopt some modification of the team-nursing care model. In team nursing an understanding of each team member's role and scope of practice is imperative. Both educational programs

and health care facilities responding to the survey identified that the health care team's general lack of understanding of the LVN scope of practice has become a major problem. That lack of understanding leads to LVNs either not being utilized to the full extent of their scope of practice or being placed in situations where they are asked to function beyond their scope of practice. Both of these factors can lead to serious consequences for health care recipients as well as licensees.

When questioned about the effectiveness of their LVN or PT employees, facilities responded positively about the licensees; however, they consistently identified three areas of needed improvement. Those areas included critical-thinking/problem-solving skills; effective time-management, and refinement in written and verbal communication skills.

Finally, there was general consensus among educators and practitioners that nursing content and technical skills required in the education of LVNs and PTs will need to be more advanced in order to meet the patient care needs in the next five years. Survey responses indicated that as the acuity of patients in health care facilities increases and as technology advances every member of the health care team will need to expand their skills to allow the whole team to meet the needs of the patients.

Board's website at  
**[www.bvnpt.ca.gov](http://www.bvnpt.ca.gov)***

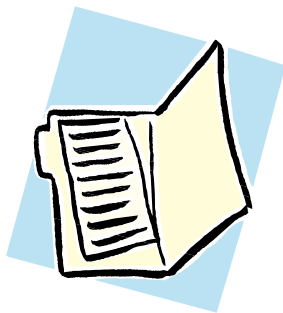

## NCSBN Update

### NCSBN Examination Retake Wait Period Shortened

Effective January 1, 2004, the National Council of State Boards of Nursing, Inc. (NCSBN) shortened the National Council Licensure Examination (NCLEX) Retake Wait Period from 90 days to 45 days. With this new policy, candidates who have applied for licensure with participating boards of nursing will be permitted to take the NCLEX examination eight times a year, but no more than once in any 45-day period, unless limited to fewer retakes by the desired jurisdiction of licensure. Fifty-two boards of nursing will participate in the new policy, including the California Board of Vocational Nursing & Psychiatric Technicians.

The California Board of Registered Nursing (BRN) will NOT be participating in the revised retake policy at this time. Registered Nurse (RN) candidates should contact the BRN directly for information regarding the status of the California RN retake policy.

## Licensees Can Request to OPT OUT of Public Mailing Lists

Pursuant to the Public Records Act (Government Code 6250 and following) and the Information Practices Act (Civil Code Section 1798.61) the names and addresses of persons possessing professional licenses are considered public records, and may be

released upon request. The Department of Consumer Affairs (DCA) Public Sales Unit routinely processes requests for public mailing lists of professional licensees, including licensed vocational nurses (LVNs) and psychiatric technicians (PTs); however, upon submissions of a written request from the licensee, the Board may remove a licensee's name and address from the public mailing list. A Public Sales Hold (or Opt Out) will be placed on the license record, and the licensee's name and address will be withheld from any *subsequent* mailing list requests.

LVNs and PTs who wish to have a Public Sales Hold placed on their license, should mail or fax a written request to:

BVNPT  
**Attn: Public Sales Hold**  
2535 Capitol Oaks Drive, Suite 205  
Sacramento, CA 95833  
Fax # (916) 263-7855

The Board cannot accept public sales hold requests via e-mail, as the licensee's signature is required in order to comply with the request. Therefore, please remember to include the licensee's full name, license number, the specific request to opt out or remove the licensee's name from the Public Sales Mailing List, the licensee's official signature, and the current date.

Upon receipt, the licensee's request to opt out will be processed within 30 days.

## Forums Held For VN and PT Faculty

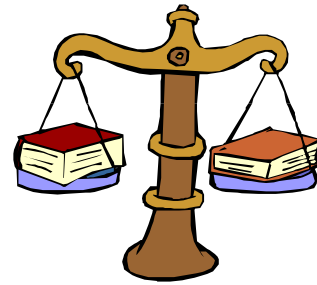

One hundred fifty directors and faculty of vocational nursing (VN) and psychiatric technician (PT) programs attended the Board's Fall 2003 Director Forums held September 18<sup>th</sup> in Glendale and November 13<sup>th</sup> in Sacramento. These meetings are held annually to keep faculty informed of changes that affect the schools, current Board activities, legislation that may impact the Board and its consumers and trends in nursing education and practice.

In 2003, discussion focused on:

- The impact of budget cuts on the Board's activities and services. Every area of Board operations has been affected by the cuts; however, the Board remains focused on its mandate for consumer protection.
- A report of the Board's sunset review process was given to attendees based on language in Senate Bill 358 (Figueroa). This bill (chaptered October 1, 2003) was written to implement the recommendations of the Joint Legislative Sunset Review Committee.

The Board will continue its annual Director Forum meetings as an important means of consumer outreach if arrangements can be made within budgetary limits. Meeting notices are sent to all directors of proposed, approved, and accredited VN and PT programs well in advance of the meetings. If you have questions regarding the forums, please contact staff in the Board's Education Unit at (916) 263-7843.

## Legislative Update

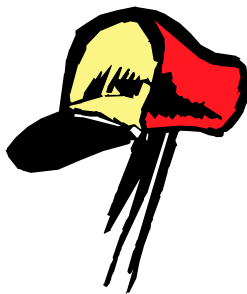

On January 6, 2004, the Legislature convened the second half of the 2003-04 biennial sessions. The following Assembly Bills (AB) and Senate Bills (SB) are currently proposed:

**AB 1735 (Figueroa & Aanestad, Senate Business & Professions Committee)** – Existing law provides for the establishment and funding of various boards under the Department of Consumer Affairs (DCA). Existing law requires, with certain exceptions, the State Controller to abolish any state position that is vacant for 6 monthly pay periods. As introduced, this bill would exempt the abolishment of vacant positions of boards under the jurisdiction of the DCA that are funded solely from non-general fund sources. It would provide that any position abolished prior to January 1, 2004 shall be reestablished by the DCA to the extent that non-general fund moneys are available for that purpose. It would prohibit the Director of Finance from refusing to authorize the filling of a vacant position on a board under DCA's jurisdiction and that specified executive orders with respect to hiring of employees shall not apply to any board under the DCA jurisdiction. It would prohibit the boards' special fund money from being loaned to the General Fund and require that all past loans be repaid in full to the special fund boards.

**AB 2004 (Correa, Assembly Business & Professions Committee)** – For the Psychiatric Technician (PT) Program: Section 4532 of the Business and Professions Code requires the Board to periodically inspect PT schools and to approve as accredited the schools that meet the Board's standards. As introduced, this bill would authorize the Board to inspect schools by a site visit or a review

*(Continued on page 9, see Legislation)*

## Your Change Of Address

Pursuant to California Business and Professions Code section 136, licensees are required to notify the Board in writing of any changes of mailing address within 30 days after the change. Violation of this statute may result in the issuance of a citation and fine. Additionally, failure to notify the Board of a new address in writing will result in unnecessary delays in receipt of your renewal forms, renewed licenses, and other important correspondence from the Board.

Please submit your change of address in writing to the Board and be sure to include your name, license number, old address and new address. Please also be aware that your address of record is public information and may be disclosed upon request.

[www.flexyourpower.ca.gov](http://www.flexyourpower.ca.gov)

## LEGISLATION

*(Continued from page 8)*

of school documents or both, as determined by the Board, and at the times the Board deems necessary.

**AB 2008 (Correa, Assembly Business & Professions Committee)** – For the Vocational Nursing (VN) Program: Section 2883 of the Business and Professions Code requires the Board to periodically inspect VN schools and to approve as accredited the schools that meet the Board's standards. As introduced, this bill would authorize the Board to inspect schools by a site visit or a review of school documents or both, as determined by the Board, and at the times the Board deems necessary.

## 2004 Board Officers

At the February 20, 2004, meeting of the Board in Ontario, California, Sister Marie de Porres Taylor was re-elected to a fourth term as Board President and Irene Moreno Bennett was re-elected to a third term as Board Vice President.

## Board Meeting Dates and General Information

May 14, 2004  
South San Francisco, CA

September 10, 2004  
Glendale, CA

Beginning with the February 20, 2004, Board meeting, the Disciplinary and Regular Board Meeting are now conducted consecutively on the same meeting day. The Board meeting agenda is mailed to individuals on the Board's general mailing list approximately 2-3 weeks prior to the actual Board meeting date.

Please note that all Board meeting dates and locations are subject to change. Board meeting times are approximate, particularly the time of the Regular Board Meeting, which convenes upon the conclusion of the closed session of the Disciplinary Board Meeting. Interested parties should call the Board at (916) 263-7845 to confirm the date and specific meeting site of any Board meeting, or access the Board's web site at [www.bvnpt.ca.gov](http://www.bvnpt.ca.gov).

The seating capacity is limited at each board meeting. The Board makes every effort to meet in facilities that can accommodate the estimated 300-800 members of the public who wish to observe its proceedings at any given location; however, because of the budget cuts, this may not be possible. If overcrowding should occur, attendees are asked to exchange seats with individuals waiting outside of the room to ensure that all interested parties have an opportunity to observe the proceedings. The Board appreciates the cooperation of the public, faculty and students should this occur.

## Board Member Appointments

By statute, the Board is composed of 11 members with a public member majority by one. Two members are licensed vocational nurses (LVNs); two are psychiatric technicians (PTs); one is a registered nurse (RN) educator or LVN educator; and six are public members.

The Board received several appointments and re-appointments in November. Blythe Mao, Public Member, was replaced while on her grace period. The following is the current status of the Board:

| Board Member                  | Recent Appointment Information | Term Expires |
|-------------------------------|--------------------------------|--------------|
| Angela Acosta                 | Appointed 11/5/2003            | 6/1/2005     |
| Henry Aguilar                 | Appointed 11/5/2003            | 6/1/2007     |
| Carol Ashley, LVN             | Reappointed 10/20/2003         | 6/1/2007     |
| Stephanie Carter              |                                | 6/1/2004**   |
| Sister Marie de Porres Taylor | Reappointed 6/11/2003          | 6/1/2007     |
| Ron Franklin, PT              |                                | 6/1/2003*    |
| Mona Johnson, PT              |                                | 6/1/2004**   |
| Dorothy Jue Lee               |                                | 6/1/2004**   |
| Irene Moreno, LVN             | Reappointed 10/13/2003         | 6/1/2007     |
| Susan Rosenthal               | Appointed 11/5/2003            | 6/1/2005     |
| <b>Vacant (RN/LVN)</b>        |                                | 6/1/2004     |

\* Grace period ends 6/1/2004. \*\* Grace period ends 6/1/2005.

Six (6) members are needed to establish a quorum at a board meeting.

Information about the Governor's appointment process and applications for appointment may be accessed via the Governor's Web site at [www.governor.ca.gov](http://www.governor.ca.gov). Additional information may be obtained by calling the Governor's Appointments Secretary, Randal Hernandez, at (916) 445-1915.

## ENFORCEMENT ACTION LIST\*

Licensed Vocational Nurses & Psychiatric Technicians  
January 1, 2003 - December 31, 2003

The Board publishes and distributes its Enforcement Action List in July and December each year. The list identifies licensees against whom enforcement action was taken during the six months immediately preceding publication of the list.

Examples of formal discipline include:

**Revocation:** The license is taken away from the licensee for a minimum of one year.

**Probation:** The license is placed on probationary status which includes specific terms and conditions of compliance; and

Other enforcement proceedings include:

**Cite/Fine:** The licensee is issued a citation and required to pay a fine commensurate with the violation committed.

The Enforcement Action List can be also accessed on the Board's internet web site at [www.bvnpt.ca.gov](http://www.bvnpt.ca.gov).

\*NOTE: Although every effort is made to ensure that the following information is correct, interested parties should call the Board at (916) 263-7800 to obtain updated and accurate license information.

One of the Board's strategic goals is to communicate effectively and work cooperatively with its stakeholders. To meet this goal the Board is available on the world wide web.

The web page provides information regarding the Board's roles, functions and services, as well as issues and concerns pertaining to health care and the disciplinary process.

## Important Telephone Numbers

The following is a list of telephone numbers you may call should you require assistance:

- For general LVN information and questions about Examinations, call (916) 263-7800.
- For general PT information and questions about Examinations, call (916) 263-7830.
- For questions about an LVN or PT "scope of practice", call the Board's Education Unit at (916) 263-7843.
- To file a complaint against a licensee, call the Board's Enforcement Unit at (916) 263-7822.

## Other Regulatory Agencies

- For questions regarding Physicians, or Medical Assistants call the Medical Board at (800) 633-2322.
- For questions regarding Registered Nurses (RNs), call the Board of Registered Nursing at (916) 322-3350.
- For questions regarding Certified Nurse Assistants (CNAs), call the Department of Health Services, Licensing and Certification Unit, at (916) 327-2445.
